INVESTMENT STORY

Further growth potential with profitable operations

- **Leading insurance company in Slovenia – expansion started in 2000**

- Fast growth in Slovenia, especially life insurance
- Entry into private pension business
- In part a regional strategy – besides Slovenia also present in Croatia, Czech Republic and Montenegro

- **Fast growth in the markets of former Yugoslavia**

- Limited growth potential of Slovenian insurance market
- High growth potential and knowledge level of relatively undeveloped insurance markets of former Yugoslavia – entry on all markets in former Yugoslavia region
- Biggest insurance group in Western Balkans

- **Focus on profitability and selective expansion**

- Profitability of the core business result from consolidation of business functions, prudent selection of insurance risks, transfer of know-how – exploiting potential of existing markets
- Growth of operations and expansion of insurance lines in existing markets, prudent entry in new insurance markets
- Efficient system of risk management compliant with Solvency II

DEVELOPMENT OF INSURANCE MARKETS

GDP growth and low insurance density key growth drivers on target markets

LONG TERM PROSPECTIVENESS OF TARGET MARKETS

High catch-up potential

- Low insurance density on target markets
- Development and growth in sales of new insurance products
- Life insurance growth
- Regulation changes to be introduced in SEE: pension, health, tax

THE STRATEGY OF TRIGLAV GROUP

Mission and values

WE ARE BUILDING A SAFER FUTURE.

MISSION

VALUES

THE STRATEGY OF TRIGLAV GROUP

Vision 2015

- **Profitable and safe operation**
 - Competitiveness and quality of services
 - Efficient risk management
 - Financial stability of Triglav Group – retaining A rating

- **Superior image of Triglav Group**
 - Recognised by complete financial & insurance services
 - Modern distribution channels
 - Organised and efficient corporate governance
 - Principles of modern organisation introduced in all segments of operation

- **Enthusiastic and highly professional employees are the basis of our ongoing development**

THE STRATEGY OF TRIGLAV GROUP

Strategic guidelines and projects

■ Guidelines

- Establishing effective corporate governance system
- Optimisation of business processes and structure of human resources
- Profitability of operations and increasing the value of the Group
- Expansion on existing and new markets
- Development of alternative distribution channels
- Entry into new key projects, where the expected rate of return exceeds the required rate of return

■ Projects

- IT (Build, Life, Foreign operations)
- Business processes reengineering
- Solvency II
- Banking distribution channels
- Study of establishment of private medical services and long-term care services
- Entry of strategic partner in Triglav INT as source of additional capital, risk sharing of further business expansion and efficient relationship management with local regulators

THE STRATEGY OF TRIGLAV GROUP

Selective investment in growth and development of insurance in target markets

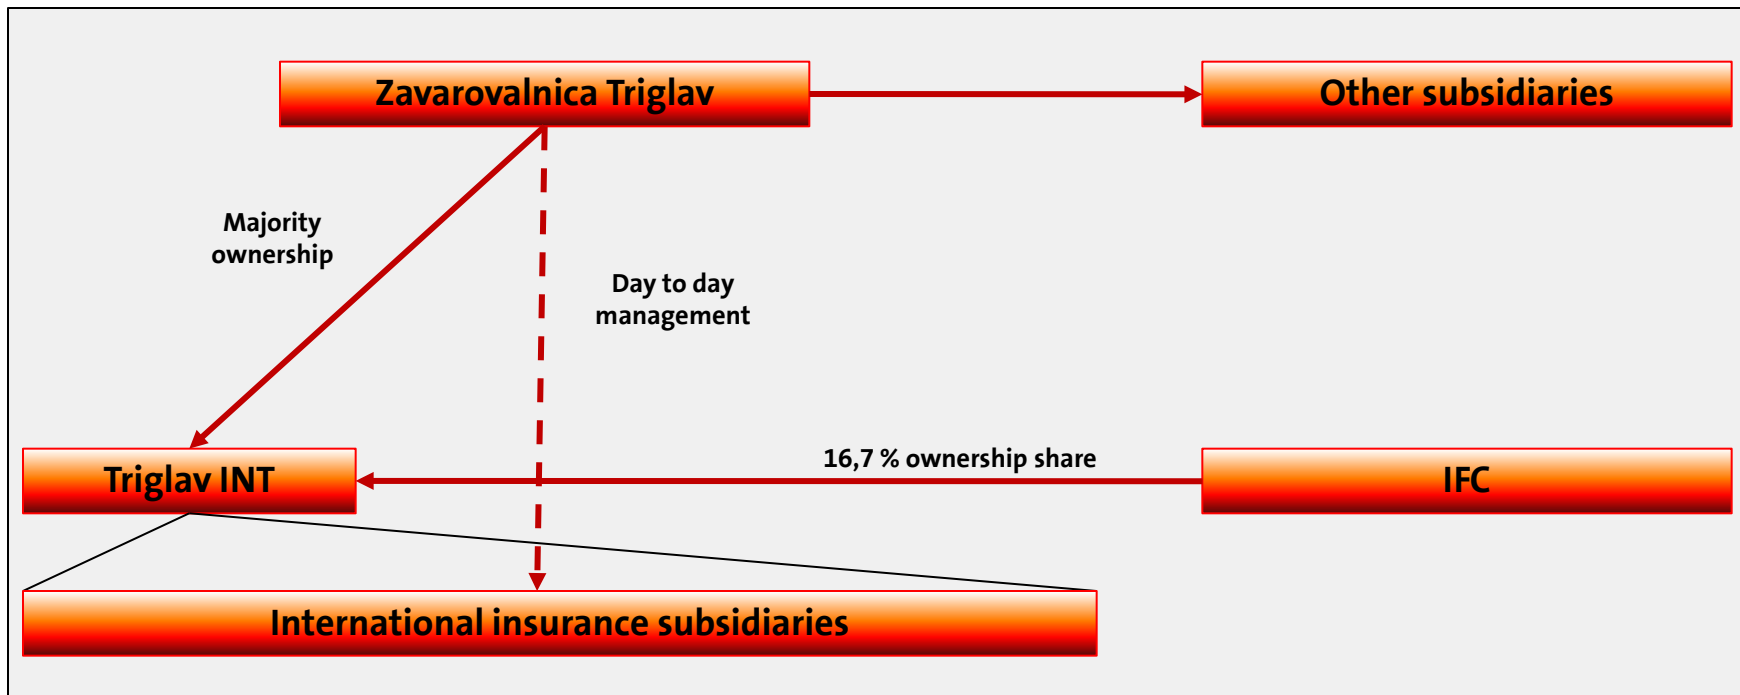

- **Slovenia**
 - High density in non-life insurance segment
 - Focus on profitability with goal to retain position of market leader
 - Increase the depth of Slovenian market and development of the Group in the field of health and pension insurance
 - The domicile market of the Group, but does not ensure sufficient growth rates to reach the strategic goal – top 3 insurance group in target region, which leads to searching for new opportunities in other target markets

- **Target markets in South-eastern Europe**
 - Development in long term, but highly promising markets
 - Goal on existing markets is to acquire or retain target market shares under the rationality principle assumption
 - Entry to new insurance segments on existing markets (life, health and pensions)
 - New market entry in target region

- **Potential of Triglav Re**

THE STRATEGY OF TRIGLAV GROUP

Future structure of international insurance business

THE STRATEGY OF TRIGLAV GROUP

Moderate expansion with focus on profitability

Triglav Group Goals for 2015

- Return on equity (end of strategic period target): **12%**
- Net combined ratio: **95% stable**
- Gross premium written: **1.1 billion EUR**
- Profitable operation of all subsidiaries

Net profit by years

OPERATING RATIOS IN 2011

Combined ratio below 100 %

Net Loss Ratio

Combined ratio

Net Expense Ratio

Combined ratio by years

GROSS PREMIUM WRITTEN

Lower demand, measures taken to increase profitability

Main drivers 2011:

- Lower demand for life insurance products and mature life insurance portfolio
- MTPL – adjustments made in cover and pricing to tailor-made client needs (differentiation of premium)
- Introduction of obligatory deductibles and the decrease of sum insured for crop insurance

GROSS PREMIUM WRITTEN

Well balanced insurance portfolio structure

GROSS CLAIMS PAID

Effective measures, lower frequency and intensity of CAT losses

Major drivers in 2011:

- Lower frequency and intensity of CAT losses
- More emphasis put on risk selection and underwriting
- Effective reinsurance protection adapted to new business conditions (higher frequency and intensity of CAT events in recent years, financial crises)
- Increase in Life claims has no effect on results due to higher maturity and surrender rates

OPERATING COSTS

Through effective measures to lower costs

Operating costs of insurance business

Operating costs of non-insurance business

Total operating costs

Major drivers in 2011:

- Strict measures taken for cost rationalisation
- Lower costs of labour
- Total costs still influenced by heavy investments in new insurance software

INVESTMENT PORTFOLIO

Consistent investment strategy

Structure of portfolio investments

Main drivers in 2011:

- Restructuring of portfolios towards liquid short term instruments
- Drop of prices of securities on LJSE
- Rising credit spreads
- Impairments of bank investments
- Very limited exposure to PIIGS (marked to market, Greeks impaired through P&L to expected recovery – market expectations)

INVESTMENT PORTFOLIO - BONDS

Portfolios still dominated by sovereign bonds with high rating

Structure of bond portfolio by rating

Main drivers in 2011:

- Drop of sovereign bond ratings

STRONG CAPITAL BASE
